A WORLD OF INSPIRATION

Light & Living

A WORLD OF INSPIRATION

Dear Customer,

Inspiration comes from the heart and inspiration is exactly at the heart of what we do best; creating a world of inspiration.

Our very own design team spots the latest trends and transforms these in our collection of affordable luxury. With a wide range of styles and moods there is so much to choose from as you will experience in this catalogue. Innovation combined with tradition, creativity with comfort, we use a wide variety of materials and present these in stunning settings. All moods are crafted with thousands of hours of attention, eye for detail and the utmost care by our styling and design team.

With this easy to use catalogue in hand, the choice might still be hard to make with so many tempting themes and moods. Yet there is no need to worry as we are here to support you in making the selection that fits your needs.

Come to one of our showrooms across Europe and the US and be inspired by all what is new, or make an appointment for a (virtual or live) guided tour.

You can also visit us on the most important fairs and markets. We would love to see you.

Do you not have time to travel? Then our team can provide you with VIP access to our ordering portal, giving you unlimited access, 24/7, to our up-to-date collection and available stock.

Don't forget to stay in touch throughout the year as we are adding new products constantly, keeping you inspired.

Enjoy.

COAT RACKS

A coat stand is ideal to hang jackets in the hallway, but it is also a must in the master or children's bedroom. A stand-alone hook, on the other hand, is the perfect solution to hang your kitchen textiles, jewellery and scarves.

MULTIFUNCTIONAL

Dishes are a must in every home. You can fill them with candles or plants and use them for decorative purposes, or with fruit or biscuits and display them on the kitchen table. A beautiful dish on a table or cabinet creates a lovely atmosphere. A small dish is also ideal to store jewellery or serve sweets.

DIFFERENT HEIGHTS

A serving stand looks beautiful on the table and is very useful to serve finger food. The different heights allow you to easily reach whatever is on display, even decorative home accessories like plants and candles.

COSY ATMOSPHERE

Our hurricanes are ideal to hold large pillar candles. Hurricanes look incredibly stylish on the table or on the floor. In summer you can put them outside on the porch or terrace for an even cosier atmosphere.
